VIP Briefing

1. Lt. Col. Arnitz, who has been Acting Assistant Commandant, Strategic Intelligence School, until the appointment of the new Assistant Commandant, Col. E. H. Isaley, expressed gratification today that I would be pleased to do a VIP briefing for Col. Isaley.

2. Since the Assistant Commandant, SSI, reports to the G-2, it seems appropriate that the same kind of briefing be given to Maj. Gen. Gaither, the newly-appointed Assistant Chief of Staff, G-2. In fact, it might be beneficial to have one briefing done for both General Gaither and Colonel Isaley together.

3. It is recommended that this suggestion be made to the Office of the DCI where the necessary coordination would be effected to accomplish this undertaking.
